

N Street Village Ambassadors Council

The N Street Village Ambassadors Council is a team of dedicated individuals who share a deep commitment to the Village community and its vital mission to support women facing homelessness, poverty and related challenges. The Council is an opportunity for members to better connect and engage with N Street Village and each other, and to provide ad hoc advisory and networking support to the organization. The overarching goal is to have everyone in the Washington, D.C. area, within five years, be familiar with N Street Village and its vital mission in our city.

Roles and Responsibilities of Ambassadors Council Members

The goals of the Ambassadors Council are to:

- **Build Community:** Members will have the opportunity to engage with each other at an annual membership meeting. They will serve as N Street Village ambassadors by encouraging their friends and colleagues to become more involved in the Village by attending events, becoming donors, and volunteering.
- **Be Village Leaders:** The Council is an opportunity for individuals interested in N Street Village to deepen their commitment to our community and engage with our staff, Board leadership, and other committees. Members will help identify and cultivate future leaders for the Village.
- **Provide Guidance:** Members will serve in an ad-hoc advisory role to the Director of Development and Executive Director on new initiatives. They will be among the first-to-know—the Executive Director will share new partnerships, programs, outreach and ideas before they are publicized. Additionally, the Council will be invited to an annual *State of the Village* featuring a presentation by the Executive Director and personal stories from the women of N Street Village.
- **Support Our Mission:** There is a \$1,000 annual membership fee. These dues are independent of any other gifts that you may choose to give to N Street Village and will help ensure that the Village can continue to meet the growing demand for services while providing you with the opportunity to become more engaged in N Street Village's work.

The Ambassadors Council will be guided by co-chairs who will organize and host an annual event and serve as liaisons to the larger group. They will work closely with the Director of Development and Board of Directors to plan activities and engage members.
