Every fall, TTR Sotheby’s International Realty and N Street Village host Celebrate Logan, a showcase of the restaurants and businesses of 14th Street and the Logan Circle neighborhood. For the last eight years, we have gathered neighbors, friends and supporters, driven by the support of TTR Sotheby’s agents committed to investing in sustainable solutions to homelessness and poverty in our neighborhood and city.

While we would typically welcome more than 400 guests for a self guided restaurant tour, this year, we are going virtual and ensuring Celebrate Logan directly invests in our neighborhood restaurants while also supporting our neighbors in need at N Street Village.

The most important shift this year is that we will be compensating our restaurant partners. Many of you have been with us since the first Celebrate Logan and have generously provided the food and beverages as a donation. This year, we feel it is important to extend our hospitality to our restaurant partners, just as you have done for us for so long. We are all in this together.

All proceeds beyond the cost of food from Celebrate Logan will benefit N Street Village, a community of empowerment and recovery for homeless and low-income women in Washington, D.C. With comprehensive services addressing both emergency and long-term needs, the Village helps nearly 2,000 women achieve personal stability and make gains in their housing, income, employment, mental health, physical health, and addiction recovery.

We invite you to be a part of this celebration. As a restaurant partner, you can reiterate your commitment to our community and celebrate your own important role in the greater Logan Circle area. Together, we can reimagine community and have a great time, too!
